Winemaker Blending Camp

Do you love wine? Great, then try your hand at being a winemaker for the day! Grab a group of people anywhere from 12-36 and enjoy a fun game where you make your very own blend of wine. Tasting your sample blends is a big part of the game, so get ready to sample some fine wines and collaborate to make the best blend possible.

McGrail Vineyards and Winery's Winemaker Blending Camp is a great teambuilding game that encourages team work, creativity, precision, and wine tasting, of course! The group will be divided into teams and each team will blend 4 different barrels to come up with their very own bottle of wine. After you have carefully measured your percentages used, you will design a label, and sell us on your wine. A judge will decide on the best tasting wine, the most creative label, and the winning sales team.

The event includes 2 hours at McGrail Vineyards and Winery where you will enjoy taste of wine as you arrive, winery introduction, winemaker blending camp, picnic facilities, and beautiful views of the Livermore Valley.
